HEALTHY WOMAN

A UNION COUNTY HOSPITAL RESOURCE

We had an inspiring Breast Cancer Awareness Event in September! Pictured are Healthy Woman members & door prize winners, Pat Williams & Dianna Gaultney; guest speaker, Marcy Emmons, a PA-C in the Union County Family Practice Clinic & breast cancer survivor; HW members & prize winners, Linda LaFoon and Tammy Bailey-Smith.

We want to remind you during Breast Cancer Awareness Month to perform breast self-exams each month & to schedule your annual mammogram if you are over 40; or have a family history of breast cancer; or have certain risk factors. Talk with your healthcare provider about any changes in your breasts or to determine when you should begin screening mammograms! UCH offers digital mammography services, for clearer images and faster results. Call 833-4511 ext 4224 for more information.

Join us for a presentation from the Illinois State Comptroller's Office on how to prepare a monthly budget, comparison shop, cut expenses, and track & maintain a budget. We will also learn how to credit card comparison shop, better understand our credit card statements, & learn how to review our credit score & history.

Light refreshments provided. Free event. Registration is requested, as space is limited. It is preferred that you register online at UnionCountyHospital.com/HealthyWoman. However, you may call 833-4112 if you do not have internet access.

Be sure to support all of our wonderful 2011 Healthy Woman Partners! Without them, we could not bring you the fabulous programs such as the anniversary event and the free events throughout the year!
