The Companies Behind the Plan...

- **Europ Assistance USA:** With 40 years of experience in the assistance business, is the backbone of the service. It is the 24-hour, seven-days-a-week initial contact point for the victim and can handle multi-lingual calls from around the world to provide immediate assistance and solutions. Europ Assistance USA provides the victim the necessary speed and timesaving capabilities in the critical early stages of identity theft discovery.
- **Trans Union (TU):** One of three large credit bureaus in the United States and Canada, TU provides immediate access to the victim's creditors, so that Europ Assistance USA can spring into action to start cleaning up the victim's credit affairs. In an ID theft situation, speed is of the essence, and with their state-of-the-art communication system, Trans Union will be able to provide the necessary information within seconds of the victim's authorization. Trans Union is a leading global provider of business intelligence services supported by more than 3,600 employees, in more than 24 countries worldwide.
- **Affinity Care (AC):** While Europ Assistance USA is the backbone of ID Theft Assist, Affinity Care is the heart. ID theft is not only a trying ordeal financially, but emotionally as well. With 24/7 counselor support available, emotional assistance for the victim is just a phone call away. Affinity Care also provides long-term credit restoration needs, such as resolving any disputes with creditors that arise from an ID theft. For those victims seeking justice, AC offers legal assistance through their nationwide attorney network.

** This benefit will help subscriber's protect and restore their identity information. This protection does not reimburse them for any fraudulent charges or expenses incurred due to an identity breach or theft.*
